

Date: March 2012

Dear Parents,

As you know there have been some staff changes over the past few weeks in afterschool and Pre-school.

The new rota system is working well, and the children are familiar with all of the Wraparound team now.

This may alter slightly through the term due to staff attending training etc but we will aim to remain as consistent as possible.

Here is an update of our activities in afterschool for this next half term. It may change if the children/parents come up with new ideas. We will also be starting the fitness/outdoor games club again every Tuesday now the nights are getting lighter.

Please let us know if you have any ideas or interests that we could introduce for your child.

Here is a timetable for the next summer half term.

Monday –Arts and Crafts with Jayne and Carol

Tuesday –Cambo café/Games with Patsy and Sharon

Wednesday–Cookery club with Carol and Sharon

Thursday–Childrens choice with Caroline and Jayne

In addition to these sessions the children have a wide choice of activities in afterschool including dough, sand, water, construction, role play etc and we also plan adult led activities eg arts and crafts which we will use for displays in school.

The children each have an afterschool journal which they can write in and add photographs of their after school activities. These can be taken home regularly to let you see what we do and for you to add any views, ideas or comments.

We are always looking for new ideas for afterschool so please let us know the kind of things your child likes to do.
