

In January 2011 we.....

Tried the three bears glasses on!!!!!!!

Printed bears and done lots of counting.

We drew around Charlotte and made Goldilocks.

We played with the compare bears and made bears from clay.

We made lots of noise with the tin cans.

We had a teddy bears picnic, and ate teddy sandwiches, crisps and cakes.
We brought our own teddies to pre-school.

We had a teddy hunt in the garden, it was lots of fun.
