Dear Parents/Carers

## Pre-school update.

Another busy half term, lots of new little faces which is great!

Our 'Natural materials' topic was very successful, the children learnt lots of new things about where materials come from and we had a great time talking about bear caves and buildings. We are finishing this week with Easter activities and cooking Easter goodies.

You will have the opportunity this week to talk to your child's key worker about their achievements and look at their progress review. Please see a member of staff to confirm a time which is convenient, or you can email a preferred time.

Our topic next half term is **Gardens and Growing**

Here is a brief overview of some of the things we have planned in pre-school.

---

### **Week 1 and 2**

#### ***Jack and the beanstalk? Scarlet Bean***

Settling the children back and looking at lots of things to do with growing and gardening

### **Week 3 and 4**

#### **The very Hungry Caterpillar/The Bad Tempered lady bird**

We will be looking at mini beasts in the garden and in the environment.

### **Week 5 and 6**

#### **Olivers Vegetables**

We will be looking at organic food and growing our own!!!!

**In addition to the topic we also look at your child's interests and likes and use these in our weekly planning. You can see this in more detail in the little room.**

**We hope you are enjoying your child's email updates, please feel free to give us any feedback about your child's interests and ideas.**
