

SNAG Minutes Date: Sept 2017

Agenda

Winter menus

The children voted from the choices on the menu. We talked about how everyone needed to vote for what they wanted and not what their friends wanted as we would go with the majority.

Rules

The children thought it might be a good idea to have a list of lunchtime rules on the SNAG board in the hall as children sometimes forget.

Children throwing food discussed.

The staff will ensure that the children are in the dinner hall on time as they need 30 minutes to eat lunch and 30 minutes to play. We are working on this as it seems to be taking a little longer to eat lunch and less time to go out to play.

Plates

Children will try harder to clean plates properly.

Monitors

It was decided that only year 3 and 4 would be monitors as it is harder for the younger children to get the older children to listen. There will be an incentive for monitors. Every half term. A monitor will be chosen to wear a special apron and chef's hat, and will help Dawn serve pudding in the kitchen. To prevent lots of spillages with water the children decided that only monitors should pour the water for the children on their table.

Toilet Monitors

To remind children to go to the toilet before lunch as there seems to be a lot of children needing to go during lunch.

Noise

It was decided that the reason the hall becomes very noisy is due to having a lot of children in the hall. The children think that if they only talk to others on their table it may bring the noise level down a little bit.

Congestion

It was decided that all children who have a problem should raise their hand and a lunchtime supervisor will go to their table to speak to them. Hopefully this will ease the congestion.
