www.camboschool.com

Welcome back everyone and we hope you all had a nice break. I have officially started now as wraparound manager and I am really looking forward to getting to know everyone. Please feel free at any time to come and speak to me or any of the staff about issues or concerns regarding your child or the pre school.

STAFF ORGANISATION IS AS FOLLOWS;

PATSY - Monday (*all day to spend time in after school*),

Tuesday, Wednesday and Thursday

SHARON - Monday, Tuesday, Thursday and Friday

JAYNE - Wednesday and Friday

KATE will continue to work all week as part of her childcare course and will also remain as bank staff if needed. She is included in weekly planning and activities with the children.

The key worker system is to remain the same, other than i will be taking over Jaynys children, but all staff are responsible for observing all of the children and ensuring their needs are met on a daily basis. Children will be regularly observed by use of photographs, own work and written observations and this information will be placed in the childrens individual achievement files. Parents are more than welcome to take their childs file home at any time to support their interests and experiences.

There may be some small changes made over the next couple of months with regards to the daily routine and structure of the preschool which will hopefully enhance your childs learning and development but we will keep you informed and will appreciate any feedback from you in helping us with your childs learning.

Parents and carers are as always very welcome to help in the sessions please speak to a member of staff about this.
