What parents say about our school:
Cambo is a brilliant school with amazing teachers and staff!

My child doesn't have Special educational needs but I know they would be well supported regardless.

Communication is good but can sometimes be a bit last minute. It’s better now it’s mainly by email as coming through in one place.

An excellent school with a fantastic extracurricular focus where children can be themselves.

I could not fault this school anyway. My children only started in January and had a lot of changes going on at the same time. They were 100% excepted from day one and made friends straight away. I may add so did . They absolutely love school and will be very sad to leave come to end of year 4.

Honestly it’s the best school ever teachers are absolutely fantastic and so supportive. My child E loves going and has learnt and is learning so so much. This school is absolutely wonderful I couldn’t ask for more for my 5 year old. Brilliant school and staff.

We love Cambo School and all of the extra experiences that come along with this amazing school!
